**English for Academic Purposes (EAP) Courses**

In their first semester at GW, international students are required to register for an English for Academic Purposes (EAP) course. The EAP course that is required will be indicated in the student’s letter of admission. Those assigned EAP courses should anticipate additional tuition expenses as well as a possible extended period of time required to complete their degree programs. On-campus applicants who meet the online education required scores are exempt from the EAP courses.
