**Admissions Requirements**

- Bachelor’s degree from a regionally accredited institution of higher learning
  - Normally, a cumulative GPA of 3.0 or higher on a 4.0 scale is required. Applicants with an overall undergraduate GPA, including transfer credits, below 3.0 (no rounding of GPA) must do at least one of the following:
    - Take the GRE and request that ETS send scores to GWU (school code: 5246).
    - Submit a petition based on three or more years of relevant professional experience, consisting of (a) a descriptive essay and (b) a corresponding portfolio of work.

- Descriptive Essay – In a descriptive essay of approximately 500 words, please describe in detail the nature, duties, and duration of your qualifying experience (as defined below). Please identify your direct supervisor and provide his/her current contact information. This essay should also place the portfolio materials in a context that demonstrates, in the applicant’s view, an aptitude for graduate study in the program where admission is sought.

- Relevant experience – A minimum of three years of full-time (35 or more hours per week), professional, management-level experience that includes some combination of program responsibility, independent decision-making authority, official high-level outside contacts, budgetary responsibility and/or supervisory authority. It does not include internships, volunteering on a campaign, receptionist duties, or clerical responsibilities.

- Portfolio – A portfolio of work is a compilation of the most outstanding examples of your prior work; for example, research projects, writing samples or any published work. Your portfolio should include 1-3 pieces of work-related professional writing in the range of 500-1000 words.

Exceptions to this policy may be granted to applicants who:
- Hold a bachelor's, master's, or doctoral degree from an institution in which English is the language of instruction and the official language of the country in which the university is located, or
- Hold a bachelor's, master's, or doctoral degree from an institution that is accredited by a U.S. regional accrediting agency (see list of international regionally accredited schools).

English Language Test scores (TOEFL, IELTS, or PTE) must be less than two years old. Use institutional code 5246 to have your TOEFL scores sent to the university. An institutional code is not required for IELTS and PTE.

Students with scores below the minimum required may be eligible to apply to the program with an additional requirement to take Applied English Studies courses.

English for Academic Purposes (EAP) Courses

In their first semester at GW, students who are required to submit English Language Test scores must register for an English for Academic Purposes (EAP) course; the required EAP course will be indicated in the letter of admission. EAP courses are charged at the regular on-campus tuition rate; students should anticipate this additional tuition expense and the possibility of additional time needed to complete the degree. EAP courses are not available online.

Students with the following English language test scores or higher are exempt from the EAP course requirement:
