International Transcript Evaluation

All international transcripts must be submitted to an approved, accredited independent evaluation agency prior to submission. A list of acceptable foreign credential evaluation services is available through National Association of Credential Evaluation Services (NACES) and Association of International Credential Evaluators (AICE). Be sure to request a detailed, course-by-course evaluation showing all coursework and the U.S. equivalent credit hours, grades, cumulative grade point average, degree equivalency, and date of degree conferral from a NACES or AICE member organization. If your transcripts or academic credentials are in a language other than English, a certified English language translation must be provided.

English Language Test Scores Requirements

Submission of the results of the Test of English as a Foreign Language (TOEFL), academic International English Language Testing System (IELTS), the Pearson’s Test of English (PTE) academic, or the Duolingo English Test (DET) is required of applicants who are not citizens of countries where English is the official language (PDF). Exceptions to this policy may be granted to applicants who hold a(n) associate’s, bachelor’s, master’s, or doctoral degree:

- From an institution in which English is the language of instruction and the official language of the country in which the university is located; or
- From an accredited institution (PDF) by a U.S. regional accrediting agency.

Exceptions to this policy may also be granted to transfer undergraduate applicants, who have completed two consecutive English Language Composition courses at the college level at the time of application.

English language test scores may not be more than two years old. To ensure TOEFL scores are sent to GW, please use institutional code 5246. An institutional code is not required to send other scores.

To be considered for admission, the minimum required scores are:

- **TOEFL (Test of English as a Foreign Language)**
  - On-Campus Program Applicants: Paper-based - 550; Internet-based - 80
  - Online Program Applicants: Paper-based - 600; Internet-based - 100

- **IELTS (International English Language Testing Service)**
  - On-Campus Program Applicants: 6.0 overall, with no band score below 5.0
  - Online Program Applicants: 7.0 overall, with no band score below 6.0

- **PTE (Pearson Test of English Academic)**
  - On-Campus Program Applicants: 53
  - Online Program Applicants: 68

- **DET (Duolingo English Test)**
  - On-Campus Program Applicants: 110
  - Online Program Applicants: 120

Students with scores below the minimum required may be eligible to apply to the program with an additional requirement to take Applied English Studies courses.

English for Academic Purposes

Some students are required to register for an English for Academic Purposes (EAP) course in their first semester at GW. The required course will be indicated in the student’s letter of admission. Those who are assigned EAP courses
should anticipate additional tuition expenses as well as a possible extended period of time required to complete their degree.

Students with minimum English language test scores or higher are exempt from the EAP course requirement:

- **TOEFL:**
  - Paper-based - 600
  - Internet-based - 100
- **IELTS:** 7.0 overall, with no band score below 6.0
- **PTE:** 68
- **DET:** 120

*If you have taken the TOEFL test more than once, GW will consider the highest overall score earned. Please note this is not the ETS MyBest or superscore.*

Regardless of your test score, the College retains the right to require an EAP (English for Academic Purposes) course during your first term of enrollment if it is deemed necessary by the admissions committee.
